MYOB[®]

Certified Consultant

MYOB[®]

RetailManager Professional

Hoad Business Development supports **MYOB Retail Manager**, Australia's leading point of sale solution. Retailers who have made the smart decision to align their business with MYOB products will be aware of the need to have their systems and procedures running smoothly.

Bryce Hoad, a Retail Manager Professional and an MYOB Certified Consultant offers:

- ✓ Retail Manager Set Up, Training and Support. Support can be provided onsite or via remote control of your PC.
- ✓ Retail Manger Set Up, including import of stock, customers and suppliers from other software or stock lists.
- ✓ Accounting Export into MYOB Accounting software.
- ✓ Establishment of Lay-by, Gift Voucher and Customer Deposit procedures.
- ✓ Setting up Departments and Categories.
- ✓ Creation of Packaged Items and Fractional Quantities.
- ✓ Tracking of serial numbers and warranties.
- ✓ Automating Purchase Orders.
- ✓ Customer Mail Outs.
- ✓ Security set up.

We can train you and your staff using MYOB prepared training manuals.

We can link Retail Manager to 3rd party applications for specialised uses.

How Hoad Business Development can help:

- ◆ Sale of software
- ◆ Installation
- ◆ Set up
- ◆ Training
